Hear better, live better

Treating hearing loss may help you rediscover parts of your life that may have felt missing — including engaging in daily activities and staying connected to the people you love. You'll also support your long-term health and can potentially reduce the risk of diseases such as dementia.[1]

Good-to-know details:

- You have 60 days to try out hearing aids purchased from a provider
- Your plan includes a 3-year extended warranty for repairs and a one-time loss or damage replacement[2]
- Schedule up to 3 follow-up visits at no cost,[3] with additional support available

Choose from high-quality hearing aids, including:

Relate · Beltone · oticon (life-changing technology) · PHONAK · ReSound GN · unitron · signia · WIDEX (HIGH DEFINITION HEARING) · Starkey
