

Your Union-Won VHHSBP Benefits-At-A-Glance

One Brooklyn Health

Committee of Interns and Residents
SEIU Healthcare

Welcome to the Voluntary Hospitals House Staff Benefits Plan (VHHSBP)!

Dr. Trina Van
CIR President

Message from your CIR-SEIU President

Being part of this union means having real rights, protections, and benefits that far outpace those without unions.

These rights have been fought for and won by members like you through years of organizing and negotiating. When we stand together, we can achieve so much more. Once you enroll for your VHHSBP, you will be eligible for a comprehensive benefits package that is even stronger than typical employment benefits packages. And the best part is: there are no additional payroll deductions. **That is the CIR difference!**

We're proud of what your colleagues have won and look forward to working with you to expand these benefits for all members and secure them for the next generation of residents and fellows.

In solidarity,
Trina Van

This Benefits-At-A-Glance describes the benefits provided through the Voluntary Hospitals House Staff Benefits Plan (VHHSBP) for you and your covered dependents as of July 1.

Residency is demanding. That's why VHHSBP Trustees recognize the importance of providing additional benefits coverage to help ease that burden. The only authorized information concerning your benefits is in writing from the Board of Trustees acting in their official capacity and whose sole decision regarding benefits is final. The trustees reserve the right to change or discontinue the eligibility rules and the type and amounts of benefits under this Plan at any time.

In the event of any conflict between the description of your benefits in this Benefits-At-A-Glance and the terms of the applicable Summary Plan Description and any amendments (SPD), the SPD shall control.

Best wishes for a successful and fulfilling medical career,
Your VHHSBP Trustees

Eligibility: Who is Covered?

After you enroll in the VHHSBP, you and eligible dependents will receive the comprehensive benefits provided in this plan. Eligible dependents include:

- Spouse, children up to age 26, same-sex and opposite-sex domestic partner

Please be advised there is a Domestic Partner Imputed Tax. For more info email benefits@cirseiu.org

Enrollment

To enroll in coverage:

- **Complete a membership form** within **31 days after your first day of work**.
- You can find your membership form on your hospital page by visiting cirseiu.org and selecting your hospital from the drop-down menu or map then click "Join CIR."

You and your enrolled family members' coverage starts on your first day of work.

Outside of orientation and open enrollment (July) there are circumstances where special enrollment is possible. Please see HERE for a HIPAA Notice of Special Enrollment Rights.

Your Fertility and Family-Building Benefits

CIR recognizes that many residents begin training at a pivotal time in their lives, often while making decisions about starting or growing a family. The demands of residency, such as long hours and financial pressures, can make that journey especially challenging. That's why the **CIR Benefits Plan includes comprehensive fertility and family-building support**.

PROVIDER: progyny

Progyny offers comprehensive care to support you through each stage of your family building journey. Including:

- Preconception and trying to conceive support
- Comprehensive fertility treatment coverage
- Access to a network of top fertility specialists

Your Progyny benefit includes:

- 2 Smart Cycles for comprehensive treatment coverage
- Progyny Rx for fertility medication coverage
- Donor Tissue Coverage for egg and sperm tissue purchases

**Includes access to 1 additional Smart Cycle if the first two do not result in a live birth*

For eligibility requirements for this benefit, please refer to the SPD located on your hospital's Benefits Page under "Important Links". To get started, visit progyny.com/benefits or call (833) 530-9187.
